## Support Pumpkins for Pigs! \*

“Don't trash that jack-o-lantern after Halloween! Historic St. Mary's City collects pumpkins for the plantation pigs. Bring new or “used” squash to the Visitor Center. The pigs, Rosemary, Maizie, Pumpkin, and Scarlet, love these big orange fall fruits, which often end up in the trash after serving ornamental purposes. Retired jack-o'-lanterns are most welcome. The carved grins and grimaces amuse the staff and the pigs.”

**Turkeys! ... Win a Turkey (fresh frozen! not live!)**
